

568 High Street
Burlington, N. J.

My dear Mrs. Manley.

My delay in writing
has been because we have
been trying to make arrange-
ments to accept your most
kind invitation.

Doctor already had a big
meeting of the N. A. A. C. P. on
Sunday. Altho he is president
and should attend he has been
trying to get one of the vice
presidents to take over the
meeting. Since last night he
has found out it is impossible
to get anyone, so he will have
to attend.

We are both sorry to have to
miss such an occasion.

Best wishes for a very succes-
ful season -

Yours truly,
Wm. M. Chas. Gibson
